# SEEKING INDIGENOUS STORIES FOR AN EXHIBITION PROJECT

**THE CANADIAN MUSEUM OF HISTORY** is planning an exhibition that will celebrate the stories of how Indigenous peoples in what is now Canada have asserted and continue to assert their sovereignty and identities beyond borders.

Focusing on Indigenous leadership, vision, creativity, and courage, this exhibition will highlight individuals and groups who travelled the world as diplomats, warriors/soldiers, performers, artists, athletes, and/or scholars over many centuries.

We would be honoured if you would like to share or discuss stories, oral histories, or objects from your communities that have travelled the globe.
