

**School of Information Management
Dalhousie University****Lecturer or Assistant Professor (two-year term position)**

The Dalhousie School of Information Management (SIM) invites applications for a 2-year term appointment at the level of Lecturer or Assistant Professor, commencing July 1, 2021.

The School offers graduate programs and contributes to a joint undergraduate program. At the graduate level, SIM provides the American Library Association-accredited Master of Information (MI) program, and the mid-career online Master of Information Management (MIM) program. The School also participates in Dalhousie University's Master of Digital Innovation and Interdisciplinary PhD programs. At the undergraduate level, the School provides core and elective courses in the Bachelor of Management program, notably in the Managing Data and Information major. Members of the School conduct varied, collaborative, impactful research.

The School is part of the multidisciplinary Faculty of Management, with the Schools of Public Administration, Resource and Environmental Studies and the Rowe School of Business. At the Faculty of Management, we inspire and educate talented people to excel as leaders and managers who can work with others to tackle complex challenges and achieve responsible results. We seek a colleague to join, and thrive in, an inclusive community that inspires social and economic innovation and action. Information about the School may be found at www.dal.ca/sim

Dalhousie University (<http://www.dal.ca/>) is one of Canada's leading teaching and research universities, with a diverse complement of undergraduate and graduate programs. Inter-faculty collaborative and interactive research is encouraged, as is cooperation in teaching. Dalhousie University inspires students, faculty, staff and alumni to make significant contributions regionally, nationally, and to the world. Dalhousie University is located in Halifax, Nova Scotia, Canada. Halifax is a vibrant coastal capital city and is the business, academic, and medical centre for Canada's east coast. It offers a high quality of life with various indoor and outdoor recreation opportunities in and near the city, arts and cultural events, and an excellent library system.

Successful candidates will have:

- A PhD (completed or in progress) from a recognized PhD program, in a subject related to information management.

- Demonstrated successful experience in teaching at the graduate and undergraduate level, both in-person and online.
- Experience in supervising student research, including directed studies and theses.
- Interest in participating in the research culture of the School

Additionally, while not required, candidates may wish to highlight the following strengths:

- Professional experience in the private or public sectors as a qualified information management professional.
- Research experience relating to the private or public sector.

The candidate will have prior professional and/or instructional experience relevant for teaching core or elective courses in at least two of the School's programs, in several of the following areas:

- Digital tools for information management
- Geographic Information Systems (GIS)
- Research methods, particularly those important to the information profession
- Organization of information (e.g., metadata, taxonomies, ontologies)
- New and emerging media
- Print culture

Dalhousie University is committed to fostering a collegial culture grounded in diversity and inclusiveness. The university encourages applications from Aboriginal people, persons with a disability, racially visible persons, women, persons of minority sexual orientations and gender identities, and all candidates who would contribute to the diversity of our community.

Dalhousie recognizes that career paths can be diverse and that career interruptions may occur. Applicants are encouraged to include, in their cover letter, an explanation of the impact that any career interruptions may have had on their CV. Dalhousie also recognizes the need to accommodate candidates to ensure their full, fair, and equitable participation in the hiring process. Our complete Accommodation Policy can be viewed online at: www.dal.ca/policies

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Inquiries may be directed to sim@dal.ca. Applicants should submit a CV, cover letter, teaching statement, and sample teaching evaluations (or a teaching dossier) at the following URL: <https://dal.peopleadmin.ca/postings/5397>
